\$79,900

Beautiful new development called Wilderness Meadows. This development will have 16 estate acreages located just off of Old Wilderness Road on the outskirts of Reeds Spring. It is city water and sewer. You will love the access to town. You will love the lay of the land as it is relatively level. I know, level. It has some trees in the back of the acreage near a wet weather creek. The builder required that a contract to construct the home be signed prior to the closing of the lot.
