MLS# SOM60332683

\$209,900

Here is a rare find! 52 acres m/l with highway frontage, a winter lakeview and located just a mile from a public boat launch. This property is a mix of open and wooded and overlooks the Stump Hole area, of Norfork Lake. There is so many deer and turkey, that you will have to spend time, both hunting and fishing! What a wonderful property!!
