This crown jewel is more than a home, it's an experience. For the first time ever on the market, this one-of-a-kind modern retreat blends a stunning silo home with a detached studio on beautiful 14.37 acres (m/l) in Greene County. A 0.75-acre pond (m/l) sparkles just beyond the screened-in porch, with a gentle spring trickling through the property creating a peaceful, storybook setting. Whether you're sipping coffee at sunrise or sitting under the stars, this property simply feels magical. Inside the home, thoughtful craftsmanship meets artistic flair. Constructed with energy-efficient, SIP panel construction, the main level offers an inviting family room with gas fireplace and custom built-in bookcases, spacious dining off the kitchen and an office featuring built-in cabinetry, with vintage, stone, bank counters. The kitchen is complete with a real nickel backsplash, quartz countertops, farmhouse sink, galvanized drawers, a refrigerator, and BRAND NEW microwave. Just outside, a raised bed garden sits conveniently within reach, so fresh herbs and vegetables are just steps away. Reclaimed and curated details are woven throughout; from an antique shower door in the studio, to the stone counters on the built-in master dressers, to the antique glass newel post crowning the staircase. Unique light fixtures in both the home and studio elevate the entire
