Location, convenience, and plenty of space! Situated on the Westside of the Lake, this 4-bedroom, 3-bath home puts you close to local favorites like Papa Chubby's and Paradise, with easy access to Westside shopping, dining, and everyday conveniences. When you're ready to head across the Lake, Osage Beach and Lake Ozark are just a short drive away over the Community Bridge. Inside, more than 2,000 square feet provides a flexible layout with main-level living and additional space upstairs. The living area flows into a generously sized kitchen, while two large upstairs bedrooms offer tons of possibilities for guest space, kids, a home office, hobby room, or bunk-style setup. A newer roof and gutters take care of some of the important updates, while the attached garage adds everyday convenience. Set on a manageable lot in an established neighborhood, this home offers plenty of opportunity for a buyer ready to add their own finishing touches and make the space their own. If you're looking for room to spread out, a convenient Westside location, and a price point that leaves room for personalization, this one deserves a look.
