Welcome to your laid back lake retreat where there is room for everyone and everything. The oversized kitchen is a standout, w/abundant space & beautiful lake views from the moment you walk in. Walls of windows and doors connect the kitchen & living spaces to the deck, while one bedroom opens directly to the screened in porch, creating easy indoor-outdoor lake living. Both large bedrooms each have private bathrooms and the non conforming bedroom can sleep plenty of overnight guests. The arched doorways, LVP flooring, generous closets and plenty of storage add to the comfortable feel throughout. A detached bunkhouse offers additional room for guests, while the impressive 63' x 30' detached shop/garage provides plenty of space for boats, vehicles, lake toys, hobbies and storage. A second smaller garage adds even more flexibility. At the water, the dock is ready for lake days w/ two boat slips, a WaveRunner slip, swim platform, slide and WetSteps, all accessed by a newer concrete walkway. Whether you're boating, swimming, entertaining or simply enjoying the view, this setup makes it easy to enjoy the lake.
