Lakefront Living, Beautifully Crafted.... There are homes that impress you--and then there are homes that stay with you. This extraordinary lakefront residence, with more than 7,000 square feet, 7 bedrooms, and an auto court with 7 garage bays (over 2222 sq. ft.), is a home that invites you to slow down, gather often, and savor the moments that matter most. From the first arrival, the craftsmanship tells a story. The timeless brick and stone exterior welcomes you into an interior filled with warmth, character, and remarkable artistry. In the foyer, gracefully curved walls meet a beautiful barrel-vaulted brick ceiling, creating an entrance that feels both grand and genuinely inviting.

Throughout the main level, artisan-created arched beams and one-of-a-kind artisan-crafted flooring bring an unmistakable sense of warmth and individuality. These are not simply beautiful finishes--they are details meant to be noticed, enjoyed, and appreciated over time. Elegant quartz countertops add a refined touch, while the powder room offers an unforgettable focal point with its unique fossilized vanity, a natural work of art in its own right. The kitchen is where this home truly comes alive. Spacious, beautifully appointed, and designed for gathering, the kitchen offers room for everything from quiet mornings over coffee to evenings filled with family and friends.
