3 Bedrooms | 4 Bathrooms | 3,000 Sqft

Set on 6.9 wooded acres along a quiet country road, this 3-bedroom, 4-bath home offers a private wooded setting surrounded by mature timber, natural beauty, and frequent wildlife. Ideal for those who appreciate space, privacy, and the outdoors, the property provides a peaceful setting for full-time living, a weekend getaway, or a recreational home base. Inside, the home offers a versatile floor plan with three bedrooms, each with its own private bath, plus a bonus room that could serve as a fourth bedroom, office, guest space, or hobby area. The family room offers a vaulted knotty pine ceiling and fireplace, creating a warm gathering space with rustic character. A loft area overlooks the wooded surroundings and provides a quiet spot to enjoy the natural setting. Outside, the property offers room to roam, a stocked pond for added recreational value, and generous garage space for vehicles, tools, equipment, and outdoor gear. With privacy, wildlife, usable acreage, and a quiet country-road location, this property captures the feel of a true escape while still offering comfort, function, and room for outdoor living.
