4 Bedrooms | 3 Bathrooms | 5,025 Sqft

Rare Ozark property with room to live, work, entertain & invest! 6.1 beautiful acres of rolling landscape, this distinctive property offers privacy while being conveniently located in Ozark. Mature trees, expansive green space, a pond, an inground pool, & a cave complete with waterfall create an incredible backdrop for this one-of-a-kind opportunity. The main residence welcomes you with a warm and inviting interior featuring beautiful hardwood floors, tons of natural light & generously sized living areas. The large living room provides plenty of space to gather and opens into the dining area for an easy flow when entertaining. The kitchen offers granite countertops, large center island, stainless steel appliances, upgraded soft close cabinetry & spacious walk-in pantry. Upstairs are four bedrooms with comfortable private living spaces. The primary suite has beautiful views of the surrounding property and a private bathroom w/ large vanity, walk-in shower, & walk-in closet. There are three additional bedrooms, with balconies overlooking the property. The basement adds even more versatility with a dedicated workshop and space that can be tailored to fit your needs. Outside, the wraparound deck is perfect for enjoying the property in every season, while the inground pool offers the perfect place to relax, cool off, & entertain during the warmer months.
