Golf course living takes center stage in this impressive Rivercut residence, where sweeping views, exceptional craftsmanship, and more than 6,000 square feet come together in one thoughtfully designed home! Inside, a dramatic two-story foyer and sweeping iron staircase set the tone. Soaring ceilings, extensive crown molding, stone, hardwood and tile flooring, and walls of windows create a bright, open interior designed to showcase the setting. The expansive great room flows naturally into a kitchen equipped with commercial-grade appliances, granite countertops, abundant workspace, and plenty of room for gathering and entertaining. The main-level primary suite feels like a private retreat, complete with peaceful golf course views, dual granite vanities, rich stone and tile finishes, a walk-in shower with multiple body sprays, and a remarkable two-story walk-in closet. Upstairs, a private bedroom and full bath are joined by an oversized bonus room offering exceptional flexibility as a second suite, home office, recreation room, or media space. The walkout lower level expands the home's entertaining possibilities with soaring ceilings, a spacious family room, second fireplace, wet bar, dedicated media room, two additional bedrooms, a full bath, generous storage, and direct access to the outdoor living areas.
