Wake up along the 3rd hole, take the golf cart to dinner, spend summer afternoons at the pool and enjoy golf, fitness, basketball, tennis and spa days without leaving the community. At home, soaring ceilings, expansive windows and a striking fireplace create a light-filled gathering space overlooking the wooded golf-course setting. Cook, entertain and stay part of the conversation from the custom kitchen, where upgraded appliances and an oversized island anchor the room. Step onto the large deck for morning coffee, grilling or a quiet evening outdoors. Two main-level suites offer comfort and privacy, while the office can become a fifth bedroom.
