3 Bedrooms | 1 Bathroom | 1,331 Sqft

Unleashing Potential: A Hidden Gem Awaits Imagination holds limitless potential. While a hammer may be necessary, the results can be truly stunning. Nestled between Springfield and Buffalo, this 50-acre property awaits a new owner. The house, restored in 1969, is ready for its next rejuvenation. Property features include: A spacious workshop A large, multi-level barn The barn is not only substantial but also unique enough to be transformed into living quarters. Property host a nice big pone and timber for hunting. Never logged to owner knowledge. Everything about this property exudes potential.
