Where timeless craftsmanship meets modern country living, this extraordinary 1910 Craftsman-style residence offers a rare combination of historic character, thoughtful updates, and nearly 48 acres of scenic countryside. Fully remodeled in 2018, the home retains the architectural presence and warmth of its era while delivering the comfort and functionality today's buyers desire. Sweeping gabled rooflines, classic dormers, multi-pane windows, crisp white trim, a metal roof, mature trees, and an inviting covered front porch create striking curb appeal and a memorable first impression. Inside, the spacious main residence features 5 bedrooms and 3.5 baths with abundant room for family, guests, entertaining, or working from home. The extensive remodel blends modern conveniences with the craftsmanship and character that make century-old homes truly special. Beyond the home, nearly 48 acres offer an appealing mix of open ground and wooded terrain. Approximately 10-15% is cleared and suitable for livestock, while the remaining acreage provides excellent opportunities for hunting, recreation, trail riding, exploring, and enjoying the privacy of the outdoors. Whether envisioned as a private country estate, hobby farm, recreational retreat, or hunting property, the possibilities are exceptional. A secluded inground swimming pool and patio create a private
