This beautiful contemporary home is tucked away on a quiet dead-end street just outside Springfield in the popular East Sunshine corridor. A true retreat for nature lovers, the oversized windows overlook a wooded backdrop and wet-weather creek, creating a peaceful setting with plenty of privacy. There is also an engineered deck that offers a great space to grill and enjoy the outdoors. The seller has truly loved the wonderful neighbors and sense of community this location provides. Inside, you'll be greeted by immaculate real hardwood floors, dramatic ceilings, fresh neutral paint with tasteful touches of color, and stunning banks of glass that bring the outdoors in. The spacious split-bedroom floor plan offers privacy, while the additional basement bedrooms provide even more flexibility for family, guests, or hobbies. The generous living spaces are ideal for entertaining, and the kitchen offers abundant cabinetry and countertop space. Custom-designed cabinetry complements the home's contemporary, modern aesthetic and provides excellent functionality. The finished basement expands the living space with a wet bar, pool table area, and a large family room perfectly suited for movie nights and big-screen entertainment. You'll also find a dedicated workout room, two generously sized bedrooms, and a full bathroom. The extensive update list
