22 Acres - Highway frontage Ready for Livestock! Beautiful 22-acre property set up and ready for livestock! The property is designed for rotational grazing and features good fencing throughout. A rustic log barn with a concrete floor and electricity provides plenty of space for livestock, equipment, feed, or storage. The property also features two wells, providing a valuable water source for your farming or livestock needs. With established pasture, multiple fenced areas, and livestock infrastructure already in place, this property offers a great opportunity for anyone looking to start or expand a cattle, horse, or small farm operation. The combination of open ground, mature trees, and beautiful Ozarks countryside makes this a property with plenty of possibilities.
