9 Bedrooms | 7 Bathrooms | 8,598 Sqft

Built for unforgettable lake days and the income potential that can come with them this approximately 8,600 sq. ft. Osage Beach waterfront retreat gives large groups room to gather, play and stay. Move from the oversized hot tub to the expansive decks, dock and water, then bring everyone together around the soaring great room, generous kitchen and one of three fireplaces. Multiple living areas, a game room, bar, flexible sleeping spaces and a separate guest suite create a layout ideal for reunions, retreats, multigenerational living or a high-capacity vacation rental. Quality is evident throughout, with a standing-seam metal roof, hardwood and tile flooring with zero carpet, fully tiled bathroom walls with natural stone, solid-wood doors with leaded glass and a 20kW rooftop solar system. With no HOA, ample parking and garage space, the property offers freedom and function. Minutes from Dierbergs, dining, shopping and entertainment, plus the planned Bass Pro Shops and outlet-mall redevelopment, it places guests near the experiences that keep them coming back. Whether enjoyed as a personal lake escape, an investment or both, this is where weekends become traditions.
