3 Bedrooms | 2 Bathrooms | 1,508 Sqft

Welcome to your farmhouse, an updated three-bedroom, two-bath country home on 20 acres, more or less. The home features low-maintenance metal siding and a metal roof, along with a welcoming front porch, side patio, and rear patio. This property is ready for your horses, cattle, or other livestock, with automatic waterers and fenced and cross-fenced pasture. Improvements include a barn with stalls, a loft, and additional rooms, plus another large barn with a tack area and separate storage area, as well as a large storage building. With its modern updates, productive pasture, livestock improvements, multiple barns, and convenient location not too far from town, this property offers a great combination of country living, functionality, and comfort.
