\$225,000

2 Bedrooms | 1 Bathroom | 720 Sqft

A little more room to breathe, a place for your projects, and space to enjoy life beyond your four walls. This Sunrise Beach home pairs a wooded backdrop with inviting spaces that make it easy to picture settling in. Come home, leave the day at the door, and enjoy an evening together in the light-filled living area. In the kitchen, white cabinetry, wood countertops, a farmhouse sink and subway tile backsplash set the scene for favorite recipes and dinners that linger into conversation. Two bedrooms offer a place to recharge, while the connected living and dining areas keep everyday life comfortably together. Outside, the detached garage and separate workspace make room for the hobbies you've been putting off, with an additional outbuilding for storage. Spend an afternoon on a project, gather friends on the front deck, or enjoy the yard with the trees as your backdrop. Here, the appeal reaches beyond the house itself it's having room for the things you love and a place that feels good to come home to.
