Welcome to 1611 Lakewood Drive, a beautifully maintained home tucked into the established Lakewood Hills subdivision in Bolivar. Set on 1.53 acres with a wet-weather creek and a truly magical wooded backdrop, this 5-bedroom, 4.5-bath home offers an impressive amount of space with a floor plan designed to actually live well. Traditional architecture, abundant natural light, and quality finishes give the home a timeless, welcoming feel. Inside, you'll find a formal living room, formal dining room, two family rooms, and plenty of room to gather, entertain, or simply spread out. The main family room is anchored by a cozy propane fireplace, creating a natural gathering place within the home. One of the home's most unique features is its three private en-suites, one on each level, providing exceptional flexibility for multi-generational living, extended guests, or anyone looking for a little extra privacy. The finished basement is a true walk-out and has been thoughtfully configured to work beautifully as a guest retreat or in-law space. It also features its own laundry hookups and opens to a screened-in patio overlooking the gorgeous backyard. A second laundry area is conveniently located on the main floor. Outside, the screened deck provides another place to slow down and take in the peaceful setting, where mature trees and the wet-weather
