Get ready for hunting season with this wooded tract in great area. This property has large timber consisting of white oak, red oak and some black walnut. Can possibly timber large trees to open up areas and pay down the property. It already has deer camp established so just bring your gear. This area of Morgan Co is highly populated with deer and turkey. You can access on easement thru adjoining farm on Hwy J, or add your own drive along the blacktop, or access from Webb Rd. This has mainly been used for hunting for years and here is your chance to make it your own.
