Big views, plenty of space, and exceptional value come together at this lakefront home in Rocky Mount. Built in 2007, this furnished 4-bedroom, 2-bath home offers approximately 2,378 square feet of comfortable living space and an incredible 10-mile view of Lake of the Ozarks. The open kitchen, dining, and living area features wood flooring and a soaring vaulted ceiling, creating a bright and inviting space for entertaining. Downstairs, the 10-foot ceilings and spacious family room provide even more room for family and guests. Outside, enjoy privacy, generous parking, a low-maintenance exterior, and expansive decking overlooking the lake. The property sits high above the water to capture the spectacular view, while a newer tram provides convenient access to the shoreline and concrete dock with a 12x32 boat slip. Railings, steps, and the tram have all been replaced or updated, and there is room to potentially add a garage. With 62 feet of lakefront, four bedrooms, a quality dock, impressive views, and newer construction, this property delivers a lot of lake home for the money.
