\$250,000

4 Bedrooms | 2 Bathrooms | 1,040 Sqft

****WELCOME HOME!!**** Offering more space than meets the eye, this property features a finished lower level plus an impressive oversized 20' x 30' insulated 2-car garage perfect for vehicles, a workshop, hobbies or extra storage. The finished lower level provides valuable additional living space, including a non-conforming room ideal for a home office, hobby room or flex space, along with a large laundry room featuring generous storage and a dedicated folding area. On the main level, you'll find an updated bathroom and a well-equipped kitchen with all stainless steel appliances. Step outside to enjoy the fenced backyard, offering plenty of room for entertaining, pets or simply relaxing outdoors. An asphalt driveway provides convenient additional parking. Situated on approximately a half-acre, this home delivers the living space, storage and oversized garage you've been searching for inside and out!
