5 Bedrooms | 3 Bathrooms | 3,044 Sqft

Bring your vision and your toolbelt! Situated on over 6 acres of mostly gentle, usable land, this private property features a spacious 5-bedroom, 3-bathroom home with 3,044 square feet and plenty of room to create something special. Set back from the road, the property offers privacy and seclusion while providing ample space for outdoor enjoyment, future projects, or simply enjoying the land. The home is a major fixer-upper requiring extensive renovation, making this an ideal opportunity for an investor, contractor, or buyer ready to take on a project. The location adds to the appeal, with Whistle Bridge, Tunnel Dam Boat Launch, and Riverbend Campground all within approximately 4 miles, providing convenient access to boating, fishing, camping, and outdoor recreation. This is a property with acreage, privacy, space, and potential but it will require someone who can see beyond the current condition and bring their vision to life. If you're looking for a private acreage property with a substantial home and plenty of possibilities, come take a look!
