Lake days, coffee on the deck, and room to stay awhile! This beautifully remodeled 4-bedroom, 2-bath home in Shell Knob, Missouri, puts you close to the Table Rock Lake lifestyle you've been looking for. Near Viola Curve and Fish and Fun, 500 Bluebird Lane sits on three lots totaling just over half an acre, with space to enjoy the outdoors and welcome family and friends. Ready to get out on the water? A 10-by-30 boat slip with a 10,000-pound lift is available for \$90,000 extra, just a short golf cart ride from the home. Spend the day boating or fishing, then head back for a relaxed evening on your new composite deck. Inside, the fully remodeled main level feels warm, comfortable, and inviting. Knotty alder door trim and baseboards bring rich wood details throughout the main level, while the kitchen's nearby coffee bar gives your morning routine a spot of its own. Gather around the kitchen, settle into the cozy living room, or step outside with your coffee and ease into the day. The stone fireplace creates a beautiful focal point in the living room. It is currently nonfunctional due to a cracked flue and conveys as-is, with repair to be the buyer's responsibility.
