\$250,000

2 Bedrooms | 1 Bathroom | 997 Sqft

One-of-a-kind country charm with the perfect blend of rustic character and fresh updates! This beautifully remodeled 2-bedroom, 1-bath home preserves the warmth and charm of the original log structure while offering modern comfort throughout. Inside, you'll find restored original wood floors, reclaimed barn wood, an updated electric kitchen, and inviting living spaces full of personality. Exterior improvements include new siding, a durable metal roof, and perimeter fencing along the back and sides. The detached garage offers plenty of room for a workshop plus vehicles, toys, or extra storage, while the unique silo outbuilding adds even more character and functionality. New central heat and air, electrical and plumbing, Perfect for hobby farm enthusiasts, this property offers plenty of room for chickens, goats, gardens, and even space for a pond. Whether you're looking for a peaceful homestead, mini farm, or simply a property with charm you can't recreate, this one is truly something special!
