INVESTOR OPPORTUNITY IN AN EXCELLENT LOCATION! The home is solid but needs complete restoration, making this an ideal project for an investor, renovator, or buyer looking to build equity through improvement. Property includes a private well, septic system, and a creek running along the back of the acreage. The combination of location, usable land, and renovation potential makes this one worth a look. Bring your contractor, bring your vision, and bring your best offer! Being sold "as is".
