Discover the possibilities on approximately 179 acres M/L of beautiful Ozark countryside, with Owl Creek running through it! This versatile property offers a unique combination of pasture, water, scenic views, and usable acreage, making it ideal for a working ranch, recreational retreat, private camping destination, hunting retreat or potential development. The property features 2 year-round ponds, 1 wet-weather pond, 2 seasonal creeks, and 2 year-round creeks, providing an abundance of water and natural beauty, and deer and turkey year round! The fenced and cross-fenced pastures are currently suited for cattle and feature a combination of fescue and Bermuda grass. Looking for hunting land? With substantial acreage, multiple water sources, established fencing, productive pasture, and breathtaking Ozark Mountain views, properties offering this combination of features are a rare find. Come explore the possibilities and make this remarkable piece of the Ozarks your own!
