Fall for lake life at 73 Stonemount Rd, an affordable lake view retreat tucked into the rolling Ozark hills with room for the whole tribe! Spend crisp afternoons on the water with the community boat ramp just minutes away, then come home to cool lake breezes, glowing sunsets and evenings roasting marshmallows around the fire pit. A covered front patio welcomes you into the cozy family room, where a wood burning fireplace is ready to take center stage for the holidays. The kitchen opens to a bar/coffee dining, with a separate dining space for gathering everyone around the table this holiday. Take in more lake views from the all seasons room, or step onto the side deck to enjoy the changing colors. The home's one level layout includes a spacious owner's suite with a soaking tub and walk in shower, two guest bedrooms, a full guest bath and laundry. A fourth, nonconforming bedroom off the kitchen would also make a great office. Bring the boat and all the lake toys! The detached 48x20 oversized garage/carport has a concrete floor and electric, plus there's plenty of additional parking. A detached bunkhouse with electric offers even more space for a game room, workshop, office or guest hangout. (The bunkhouse is not heated or cooled). You're minutes from lake loving Kimberling City's boat up restaurants, spas and boutiques, with Hollister's golf courses,
