2 Bedrooms | 2 Bathrooms | 1,100 Sqft

Welcome to a truly one of a kind home tucked away on 20.2 wooded acres with road frontage! This 2 bedroom, 2 bath custom built home is special from the moment you arrive not simply because it was custom designed, but because the sellers built the home themselves, adding personal touches & craftsmanship throughout. Step inside to a warm, inviting interior filled with character. The beautiful kitchen adds a touch of country charm while overlooking the peaceful woods out back, where deer are frequent visitors. The living area has a gorgeous fireplace & stone chimney featuring hand-selected stones including one uniquely shaped like an arrowhead, just one example of the thoughtful details incorporated into the home. Outside, enjoy covered porches wrapping three sides of the home, giving you plenty of places to sit back, relax, & take in the quiet wooded surroundings. The property also features a rustic workshop with a look & feel that perfectly complements the home, along with a beautiful outdoor fireplace area made for gathering with family & friends. This isn't a cookie-cutter home it's a property that was built with intention, enjoyed with love, & is ready for its next chapter!
