4 Bedrooms | 2 Bathrooms | 1,920 Sqft

Unique walk-out basement home! Four bed/2 bath home features entry on 2 levels and unfinished space that you could finish out and add some living or storage area! Wet-weather creek and trails are onsite for enjoyment and wild-life watching. On the main floor you living room and eat-in kitchen as well as large laundry and additional utility room, plus an interior entry storm shelter/safe room that goes the entire length of the home with shelving for storing those canned goods or prepping for emergency situation. So much to offer on a quiet 2.4 acres. Buyer and agent to do their own due diligence regarding actual square footage on the home.
