3 Bedrooms | 2 Bathrooms | 1,840 Sqft

Tucked away in a private, secluded setting, this 3-bedroom, 2-bath home offers 1,840 square feet of comfortable living space with the perfect combination of modern finishes, open living, and outdoor fun. Step inside to a large open floor plan that gives the home a spacious, inviting feel and makes it perfect for both everyday living and entertaining. The kitchen features custom cabinetry with plenty of storage and flows seamlessly into the main living areas. Luxury vinyl flooring runs throughout the home, complemented by tile in the bathrooms for a clean, finished look. The spacious primary bath is made for relaxing, complete with a large soaking tub that's perfect for unwinding at the end of the day. But the backyard may steal the show! A brand-new pool installed in August 2026 is surrounded by a large deck with plenty of room for lounge chairs, grilling, entertaining, and soaking up the sun. It's the kind of backyard that practically invites you to drop your bags and jump in. Sitting on 2.4 private acres, there's room to spread out, enjoy the outdoors, and get away from the hustle without giving up the comforts you want inside. Privacy, acreage, an open floor plan, custom finishes, and your own backyard pool--this one checks a lot of boxes. Broker/Owner
