This move-in ready home is more than meets the eye at just under 3,000 square feet. Inviting living spaces inside and out. The main level features warm hardwood floors, a large living room, 2 spacious bedrooms and a large kitchen and dining area. The full walk-out basement adds another dimension with a versatile living area, 2 additional nonconforming bedrooms, bathroom, laundry and a hot tub room with a private entrance plenty of options for movie nights, hobbies, entertaining, overnight guests or extra living quarters. Outside, nearly half an acre gives you space to enjoy the seasons, with multiple outdoor areas ready for morning coffee, backyard cookouts, or quiet evenings at home. An attached 2-car garage adds convenient parking and storage, along with extra parking alongside the asphalt driveway. Located close to Warsaw's shopping, dining, and outdoor recreation, this property brings together the space, versatility, and comfort that make it easy to picture yourself right at home.
