MLS# SOM60335159

\$699,900

Discover the rare opportunity to own a large tract of land in Webster county and Rogersville school district. This completely private acreage is surrounded by mature trees and once you move through the bottom and climb the hill it opens up into multiple cleared fields. The mix of cover and open ground offers excellent hunting, privacy, and potential home sites. With electricity already on site, this property is ready for anything. Hunting, recreation, or building.
