3 Bedrooms | 3.5 Bathrooms | 1,020 Sqft

Lake views, outdoor entertaining space, and a hot tub waiting on the deck--this completely renovated home knows how to make an entrance. With three bedrooms, two and a half bathrooms, and a peaceful Branson West setting, it blends polished comfort with enough personality to keep things interesting. Sunlight pours through the interior, highlighting character-filled finishes and a vaulted, beamed ceiling that gives the main living area an airy sense of occasion. The refreshed spaces feel welcoming rather than fussy, making it easy to settle in from day one. Partial furnishings are included, with exclusions, so your moving list may be pleasantly shorter than expected. A bonus game room brings flexibility for movie nights, friendly competition, or the shuffleboard table rivalry nobody is willing to admit has become serious. Outdoors, the new deck offers a front-row seat to the Table Rock Lake water view, while the hot tub turns quiet evenings into a very convincing reason to stay home. The location keeps relaxation close without sacrificing convenience. Shopping and dining are about 15 minutes away, Port of Kimberling Marina and Kimberling City's eclectic charm are approximately fifteen minutes away, and Branson is about twenty minutes away. Rice Camp boat launch also provides a nearby route to outdoor recreation and days by the water. Newly listed
