This is a great opportunity for a fixer upper in the Camdenton School district! 3/2 with a detached 2.5 car garage with a door opener. There is also a 30x40 shop with a concrete floor and a framed office or storage area inside. The owners previously had a wood stove in there that heated it nicely. This 5 acres is mostly flat and easily accessible. Needs some general tlc and cleanup around the outside and the home will be real nice after paint and floors and some other attention on the inside! Fairly close to town makes for a convenient short drive. No HOA to abide by any rules or pay assessments. taxes are estimated.
