\$435,000

6 Bedrooms | 3 Bathrooms | 3,464 Sqft

Large family home, fenced acreage and a shop included. The main level features open living and kitchen areas, along with 2 bedrooms, one is primary bedroom and a bathroom with guest access. Off the kitchen and dining area, a baking room offers plenty of space for all your supplies and you can pick apples and peaches from the trees in the yard. The large dining area and additional family space with wood stove for cooking or heat provides a great place for holidays. Upstairs, 4 large bedrooms and 2 bathrooms offer plenty of room for a growing family. The 2014 remodel and addition increased the living space, with updates including newer windows, sheetrock, insulation, roof shingles and vinyl siding. The home also has 2 basements both with access to the back yard. Outside, approx. 6 acres with woven wired fencing around pasture and cross-fenced, with a dairy barn with concrete floor and greenhouse just a short walk from the home. A large shop with 1/2 bath, a lagoon, concrete floor, heating, and cooling with spray foam insulation on walls on ceiling provides room for projects year round. This is a great family home with room to grow for the whole family, come take a look today.
