3 Bedrooms | 2 Bathrooms | 1,985 Sqft

Need more garage, shop and storage space? This Versailles property delivers! Situated on three city lots, this 1,985 sq. ft. ranch offers 3 bedrooms, 2 bathrooms, a full finished basement and an impressive amount of space inside and out. The home features a large primary suite, spacious living areas and an attached 2-car garage with a convenient drive-through bay. The real standout is the detached 3-car garage with workshop space and an additional fully plumbed area offering exciting potential for future living space, guest quarters, home office or hobby space. With five total garage spaces, there's plenty of room for vehicles, a boat, lake toys, tools and projects. The home is ready for someone to bring their own personal touches, while the garage and shop setup is already hard to duplicate. Whether you're a contractor, car enthusiast, hobbyist or simply need more room, this property offers possibilities you won't find in the typical in-town home. Schedule your showing today!
