Elevator access, sweeping Table Rock Lake views, and contemporary style set the stage for a condo that makes lake living feel wonderfully effortless. This newly listed two-bedroom, two-bathroom residence pairs excellent craftsmanship with an open layout designed for easy conversation, quiet mornings, and sunsets that may cause dinner to run fashionably late. Clean finishes and thoughtful details create a polished atmosphere without sacrificing comfort. The flowing living area keeps the lake view front and center, while the covered patio extends the experience outdoors in every season. Coffee tastes better with water scenery; apparently, science has finally caught up. A furniture package is available, making the move even simpler, and a new furnace installed in fall 2025 adds peace of mind. Community amenities include a pool and clubhouse with activities, offering built-in ways to unwind or connect. When adventure calls, Lake Taneycomo, Table Rock Lake State Park, and Silver Dollar City are each about ten minutes away. The famous Highway 76 Strip is also minutes from home, placing shopping, dining, and entertainment within easy reach. Nearby parks and grocery options add recreation and everyday convenience. Luxury here comes with a refreshingly practical side: elevator convenience, inviting shared spaces,
