2 Bedrooms | 2 Bathrooms | 1,264 Sqft

Fresh finishes, lakefront perks, and a transferable boat slip give this two-bedroom, two-bathroom condo plenty to celebrate. Newly listed and completely made over from top to bottom, it offers approximately 1,264 square feet of polished, easygoing living in an age-qualified Lake Taneycomo waterfront community. The open layout creates a natural flow between the kitchen, dining area, and living room, making conversation easy and entertaining refreshingly uncomplicated. New wood cabinetry brings warmth and storage to the kitchen, while granite countertops add a durable, elevated finish. Fresh paint and additional updates complete the transformation, leaving the next owner with more time to unpack and less time negotiating with a renovation list. Life beyond the condo is equally appealing. Multiple pools offer options for sunny afternoons, and the clubhouse provides a welcoming place to gather. A community boat launch and fishing dock put the water close at hand, while the transferable boat slip means lake days can begin without a lengthy search for parking on the water. Cast a line, cruise the shoreline, or simply enjoy the view; the fish are welcome to cooperate. Downtown Hollister and Downtown Branson are only minutes away, placing charming shops, restaurants, attractions, and everyday conveniences within easy reach.
