2 Bedrooms | 2 Bathrooms | 1,298 Sqft

Two private garages, a walk-in entrance, and an oversized courtyard make this condo anything but ordinary. Set within an age-qualified Lake Taneycomo community, the newly listed residence offers two bedrooms, two bathrooms, and approximately 1,298 square feet designed for comfortable, uncomplicated living. The well-planned interior balances open gathering areas with private retreats, creating an easy rhythm for quiet mornings, visiting friends, and evenings at home. With convenient walk-in access, everyday arrivals skip the stair-climbing ceremony. Two separate one-car garages provide valuable room for vehicles, lake gear, seasonal decor, or that hobby collection that somehow keeps multiplying. Outside, the massive patio courtyard feels like a bonus living room under the Ozarks sky. Arrange lounge seating, add colorful planters, host a casual meal, or simply enjoy having enough outdoor space that the furniture does not need to negotiate for elbow room. Community amenities make lake days remarkably accessible. Take a swim in the outdoor pool, cast a line from the courtesy dock, or launch a boat for time on Lake Taneycomo. Shopping, local dining, and everyday services are nearby, while River Run Park offers another inviting place to enjoy the outdoors. Forsyth adds the charm of a welcoming small-town setting without leaving
