Discover the beauty of country living with this custom-built all brick home situated on an impressive 75.5 acres of scenic countryside! Thoughtfully designed with both comfort and functionality in mind, this property offers a wonderful combination of distinctive features, usable space, and breathtaking surroundings. The home features three bedrooms, four full bathrooms, office, formal dining room, eat-in kitchen, and a heated sunroom where you can relax and take in the beautiful views throughout the seasons. The partial finished basement offers additional possibilities as a recreation/family room or workout room, especially with the full bath attached. Even the roof stands out, featuring 50-year metal shingles designed to resemble traditional composite shingles while offering the durability of metal.Beyond the home, you will find a large 30'x60' shop with two 12' x 12' garage doors and two 12'W x 14'H doors offering excellent space for hobbies, RV, equipment, storage, or workspace. A whole-house generator provides added peace of mind. The 75.5 acres are fully fenced and features a wet weather pond and an all-season pond. Whether you are watching wildlife, enjoying a quiet morning overlooking the property, or simply appreciating the privacy and peaceful setting, this acreage offers a lifestyle that is becoming harder to find.If you've been
