5 Bedrooms | **4** Bathrooms | **3,615** Sqft

This beautiful country home was custom built in 2023 and features 5 bedrooms and 4 baths. On the main level, you'll find an open concept kitchen/dining/living room. The living room is a welcomes you into the home with oak flooring and a handsome woodstove with ledgestone hearth. Hickory cabinets topped with granite counters adorn the kitchen, which includes a center island with bar seating perfect for food prep and conversations. Home chefs will surely love the roomy pantry, 6-burner gas range and the farmhouse sink as well. Elsewhere on the main level are a spacious laundry room, master bedroom, master bath with walk-in shower and double vanity. The covered deck off the back of the home is the perfect spot to relax and watch the wildlife, as is the covered front porch. Two additional bedrooms share a bathroom to round out the main level. Moving down to the walkout basement, you will find a well-designed functional space with plenty of storage. A huge open room functions as a game space or family room, complete with a kitchenette/home bar. Two more bedrooms are found on this level, and either would make a great home office space. The basement also features two bathrooms, a mechanical room, and a secondary laundry closet. And don't overlook the nearly 160 s.f. concrete storm room offering secure storage and reinforced shelter when the
