MLS# 3591161

$50,000

You've found it whether you're looking to build that home you've envisioned for years or simply looking for a place to escape reality after a long hard week. Come experience an entirely different lifestyle and begin enjoying all nature has to offer. You'll have only about 3 1/4 miles of gravel & beautiful scenery to reach your get away tucked in the trees. Even the street name offers a hint of what you'll see roaming around. There is approx 11.9 acres ready for a building site so bring your plans. The location offers an easy commute to either Camdenton or Lebanon so no need to pack a lunch here. Note: the estimated lot size & taxes, have not yet been verified due to a recent ownership change.
