5 Bedrooms | **3** Bathrooms | **2,656** Sqft

Rebuilt from the ground up, 5-bed, 3-bath home delivers space, flexibility, Duplex or single home, and a true nothing left to do remodel. Everything has been redone roof, siding, windows, HVAC (and ductwork), flooring, appliances, and more. The setup is what makes this one stand out. 2 full kitchens, 2 laundry areas, and a walkout lower level create a natural split for multi generational living, guests, or even separate living quarters if needed. Upstairs ofers a 3-bed, 2-bath layout, while the lower level adds 2 more bed-rooms with a Jack-and-Jill bath-giving you true primary suite options on both levels. No stairs required for lower-level access, which is a big plus for long-term usability.The home sits on a flat, usable .5+acre lot inside Camdenton city limits. Plenty of room to add a shop, garage, or just enjoy the space. Covered front porch adds to the curb appeal and gives you a functional outdoor area right out front.Location checks the boxes too just minutes to grocery stores, restaurants, schools, and all the Lake of the Ozarks attractions.If you ve been looking for a large, fully updated home and don t want a project this is one that delivers real value for the money.
