3 Bedrooms | **2** Bathrooms | **1,815** Sqft

Looking for your next project? This 194?s build home is right in the heart of Camdenton. 3 good sized bedrooms and 2 full bathrooms is a good start. Add in a large living room and dining room with original hardwood floors and you have your classic home. Newer roof and hvac have already been taken care of. There is a nice 2 car detached garage with asphalt circle drive...and an outbuilding that was once an office that would make a great workshop or extra storage. This lot is level and long giving you .84 acres to work with. Do you work from home? this one is residential and commercial zoned. If you are a handy man this one is for you.
