Enjoy year-round Truman Lake views from this inviting 2-bedroom, 2-bath home on three lots bordering Corps of Engineers land! Whether you re looking for everyday lake living or a weekend escape, you ll love the peaceful setting and convenient location. Relax by the wood-burning fireplace or sip morning coffee in the bright sunroom overlooking the lake. New carpet adds a fresh touch, while the full walkout basement offers additional sleeping space, a wet bar, and room to entertain after a day on the water. The original home dates to 1954, with an addition completed later. This well-maintained property features a new roof and gutters installed in 2026, plus a newer A/C system. Kitchen appliances are included; washer and dryer are excluded. Gather around the firepit, tackle projects in the detached two-car garage with workshop, and take advantage of the carport for extra covered parking. Three lots provide room to enjoy the outdoors, with adjoining Corps land enhancing the natural setting. Just two minutes from Long Shoal Marina and approximately 10 minutes from downtown Warsaw and Lake of the Ozarks, your next lake adventure is close to home!
