Set at the 4 mile marker of the Gravois Arm, this log-style lakefront home pairs 56 feet of year-round deep water with something rarely found at Lake of the Ozarks: a beautifully level lot and an easy, gentle drive. Inside, soaring vaulted ceilings and expansive, brand-new lakeside windows frame the view, while a double-sided stacked-stone gas fireplace anchors the living space. Thoughtfully decorated throughout, with refined furnishings and updated light fixtures, the home feels warm, polished, and ready to enjoy from the first night. The primary suite offers Onyx countertops, a jetted tub, a tiled walk-in shower, and a walk-in closet, and a loft provides additional sleeping space. On the lower level, the living and dining areas open to a wraparound deck overlooking the water. Spend evenings around the waterfront fire pit, just steps from a private dock with a 16'x48' slip, built-in walkway, expansive swim platform, wet steps, PWC drive-up lift, and dock storage. A two-car garage and an included golf cart complete this exceptional lake home. Located in the well desired Gentle Slopes Subdivision. Private showings by appointment.
