Bring your farming vision to life with this 211-acre property featuring mostly open, fenced pastureland, multiple ponds, and plenty of room to run cattle. With open fields throughout, this farm offers excellent potential for livestock, hay production, or a variety of agricultural uses. The property includes multiple garages and hay barns, providing ample space for equipment, storage, and farm operations. An older farmhouse is also located on the property and could be brought back to life with some renovation and TLC. Conveniently located right off an asphalt road, this property offers easy access while still providing the space and setting of a traditional working farm. Whether you're looking to expand your cattle operation, start a farm of your own, or invest in a large acreage property, this 211-acre farm has plenty of potential.
