NEW CONSTRUCTION PENTHOUSE WITH AN AMAZING GOLF VIEW, SUNROOM & DECK! This 3-bedroom, 3-bath condo sits just steps from the elevator, so everyday living is easy and comfortable, whether it's your full-time home or a vacation getaway. Designed with a modern, upscale feel, it combines clean architectural lines, high-end finishes and an open-concept floor plan. The living area flows naturally into the dining room and kitchen, the layout today's buyers are looking for, and large windows bring in natural light while keeping the space warm and inviting. The kitchen features upgraded cabinetry, quartz countertops, premium fixtures and generous prep space, ideal for entertaining. The heated and cooled sunroom adds plenty of room to relax or host guests while taking in the views, and the deck offers more space outdoors with beautiful golf views. The primary suite is a peaceful retreat with a large bedroom, an elegant walk-in shower and a walk-in closet. The second bedroom works for guests, an office or extra sleeping space. Upstairs, the third bedroom sits across from a spacious bath with a tub/shower combo and dual sinks. Platinum Park is located in Branson's highly desirable Thousand Hills area, close to golf, dining, entertainment, shopping and everything Branson has to offer, while keeping a quieter, more refined residential feel.
