The best of lake living, all in one place. Tucked inside a deep-water, no-wake cove with beautiful main channel views, this 4-bedroom, 2.5-bath lakefront retreat offers the perfect balance of peaceful waterfront living and endless entertainment. Imagine slow mornings with coffee overlooking the lake, afternoons spent boating, and evenings gathered with friends on your very own resort-style, double-decker dock. Complete with an outdoor TV, bar, grilling station, covered lounge, two 11x26 boat slips, three PWC drive-up stations and a PWC lift, it's a waterfront setup you'll never want to leave. Inside, expansive lake-facing windows, an open-concept layout and updated appliances make entertaining just as enjoyable indoors. Situated in the same cove as Coconuts, you're close to one of the lake's favorite destinations while enjoying the comfort of no-wake waters at home. And here's something lake buyers truly appreciate: a gentle lot, minimal steps to the water, easy driveway access, ample parking and a 2-car garage. Whether you're making memories with family, hosting friends or exploring rental potential, this is the lake lifestyle you've been looking for.
