Introducing Rock Church Ranch, an exceptional 97.7-acre property offering the rare combination of productive pastureland, remarkable privacy, and proximity to Table Rock Lake. Located along Rock Church Road and surrounded by expansive farms, this property features predominantly open pasture, mature marketable timber, a fully fenced perimeter, two gated entrances, and three ponds--an ideal foundation for a thriving cattle operation.Incredibly private and rich with wildlife, including whitetail deer, wild turkey, and ducks, Rock Church Ranch offers outstanding opportunities for hunting, recreation, or establishing a secluded ranch estate or legacy homestead. The combination of open pastures, mature timber, and natural water features creates an exceptional setting for those seeking both agricultural productivity and the beauty of the Ozarks.Just 15 minutes from Table Rock Lake and its renowned boating, fishing, and recreational attractions, the property also presents compelling potential for future residential development. Whether envisioned as a working cattle ranch, private estate, recreational retreat, or investment opportunity, Rock Church Ranch delivers a hard-to-find combination of usable acreage, seclusion, and desirable location.
